

Proms and graduations are for everyone!

How You Can Help

Prom Project makes gently-used formal wear available to elementary and secondary students who plan to go to the prom/formal, graduation ceremony or other school celebratory events. The clothing is provided free of charge.

Through donations from caring community members, more students will have access to formal wear through Prom Project.

Prom Project will be piloted at six Hastings and Prince Edward District School Board secondary schools.

Bayside Secondary School

North Hastings High

Centennial Secondary School

Prince Edward Collegiate Institute

Centre Hastings Secondary School

Trenton High School

We are asking our community to consider donating gently-used formal wear appropriate for students in Grade 8 to 12, to wear for their graduation, or prom event. Prom Project will run from January to March, with schools hosting their Prom Project events in April.
